

Our canteen is run by the Greenwood Primary School P&C, and your child's school needs your help!

Volunteers are a crucial part of ensuring our school canteen works efficiently, and assist in keeping the prices down.

If you can help out, as a once-off, or on a regular basis, even if it's just for an hour or two, please pop down to see our canteen supervisor Ruth and join the roster!

*Your support is greatly appreciated!*

## HOW TO ORDER

Lunches may be ordered via:

- Online at [www.ouronlinecanteen.com.au](http://www.ouronlinecanteen.com.au)
- With a lunch order bag (available from the canteen for 10c each or \$2 for 25)
- With a reusable wallet (available from the canteen for \$10 each)

**Please do not use envelopes, and do not staple or sticky tape your lunch order bag.** Your lunch needs to be able to be put inside it!

**Please do not put money loose inside your lunch order bag (wrap it or use a zip lock bag).**

Lunch orders can either be:

- Placed online at [www.ouronlinecanteen.com.au](http://www.ouronlinecanteen.com.au)
- Placed directly with the canteen prior to school commencing
- Placed into your classroom lunch order basket before class commences

If lunch order is not received prior to 9am, your choice may be limited.

**Recess can only be purchased directly from the canteen by your child at recess** (not on the lunch order bag). Kindy and Pre-Primary children do not have access to the canteen at recess.

For our canteen to remain viable, we can only accept cash in lunch order bags. Please provide the correct money.

**Our canteen is not able to offer credit.**
