EUROPEAN SPACE AGENCY (ESA) LINK UP

As I mentioned in my Connect notice earlier this week, this exciting experience for our school will take place tomorrow. The assembly will commence around 2.15pm with the WebEx link taking place at 2.30pm. The students have reworked the chosen questions from our cancelled NASA connections from late 2019 and into 2020. Parents are welcome to attend. The astronaut is Colonel Luca Parmitano who was on the ISS then and is now back on Earth and working for the ESA.

NAIDOC ASSEMBLY

This was an amazing event. Thank you to the parents who took up the invitation to attend. It was wonderful to have our special guests Principal Lesley Wintle and AIEO Duane Smith attend from Warwick Senior High School, School Board Chair Samantha Lakin, and Board member Tracey Gosling. Mrs Marsland and her special events committee, Mrs Wilson Boyce and Miss Oxenham did a superb job putting the assembly together. Mrs Dunham also unveiled the new faction flags (designed by our students) and the names that are linked to the Noongar Six Seasons:

Blue - Birak
Gold - Mookaroo
Green - Djeran
Red – Kambarang

Thanks to the student designers, Miss Oxenham and Mrs Dunham who provided the research information for the students to use and Mrs Gosling who ensured the cultural correctness of the information and spellings.

IMPORTANT DATES

NOVEMBER

- 19** Assembly – Music
- 23** Warwick SHS Transition Day

DECEMBER

- 2** TA4 & TA5 Community Day
- 3** Assembly – TA5
- 8** Christmas Concert

Our special guest performer Johnny Garlett certainly inspired all of our students with his positivity. His talent was incredible. He also encouraged all students to undertake high levels of achievement and personal goal setting. His story certainly provided an amazing example of what individuals could achieve.

CONTAINERS FOR CHANGE

The P&C have organised for the school to participate in this program. The drop off bin has been placed near the Dental Centre situated at the Ranleigh Way entry. Please consider dropping off any 10c refundable containers in that bin. Please remember to remove lids.

ROCK AND WATER

Mrs Dunham has commenced this program with selected Year 4 and Year 5 students.

PP TO YEAR 2 EXTENSION PROGRAM

I have made some visits to each group and the idea creation discussion, planning, problem solving and analysis sessions are inspiring. Thank you to the parents who took the time to complete the feedback sheet that Miss Westwood sent out. Your children are certainly enjoying the challenges.

REPORTS

Staff have been working hard on gathering all of the data sets and finalising these documents. They will be distributed via Connect to parents on Monday 13 December.

KINDERGARTEN TRANSITION EVENTS

It was wonderful to see so many parents at our parent meeting last Friday. I also thank those who took the time to attend last Monday's Triple P parenting session on Monday night. It was wonderful to see so many couples attend. On 1 December and 2 December our new little ones get to come to the classroom which is always exciting. We still have space for some more students in Kindergarten for 2022 if you know anyone looking for a placement.

DANCING

Shari is loving working with our students who are engaging well in the sessions. The sessions culminate in the Social Dance on Thursday 16 December.

GRADUATION ASSEMBLY AND DINNER DANCE

Our Year 6 students have been rehearsing for these two events that will occur on Monday 13 December, at the normal Assembly time.

BOOK AWARD ASSEMBLY

This event takes place on Wednesday 15 December.

CHRISTMAS CONCERT ON THE GREEN – 8 DECEMBER

Classes have been working on their performances for this wonderful night. This year's event will include a combined performance of volunteer students from our Year 6 brass and clarinet Instrumental students and the Warwick SHS Band.

WARWICK SHS INFORMATION CAFE

A reminder that Warwick SHS will be facilitating an information café meeting for interested parents K-Yr 5 at **8.50am Thursday November 25** in the Greenwood PS staff room. They will provide information on some exciting specialist programs. Any parent of a Year 6 student living in WSHS catchment area and yet to enrol in another secondary school, or looking to change may also attend.

WANNEROO JOONDALUP LACROSSE CLUB SUMMERCROSSE

Any families interested in participating in this fun family opportunity, can attend Penistone Reserve on Thursdays 5.30-6.30pm commencing **today** 18 November. Open to all ages. Sticks supplied and no cost to play.

CHAPLAIN'S CORNER

Christmas is getting closer and Mrs Fazz and I have been getting very excited for the up-coming activities that will take place during the lunch time program in the Library.

Starting this week, students have had the opportunity to participate in 2 activities. The first activity involved **LEGO** © We have put together a Lego box filled with all the Christmas colours and students have started using their imagination and creativity by building characters or objects that represent Christmas. The second activity involves the students **COLOURING** in Christmas sheets. Starting tomorrow, the students will have the opportunity to do some **CRAFT**. We have glitter, rhinestones, sequins, pipe cleaners, felt, card and so much more available for the students to use to make Christmas cards and ornaments for their Christmas tree.

As you can see there will be a lot going on during the lunchtime program, but we are very excited to see what the students create and will be able to share some of this with you in the final newsletter.

This program is open for all students in Years 1 through to 6.

SUSTAINABILITY NEWS

We would like to remind you to keep recycling during the holidays.

We have collection bins for the following items:

- Household Batteries – all sizes**
- Used postage stamps**
- Aluminium Ring Pulls**
- All brands of Printer/toner cartridges**
- All brands of oral care products and packaging (except the toothpaste cardboard boxes- these can be recycled in your yellow top Council bin)**
- Used Nespresso coffee pods.**

We also have a collection box inside the Library for all mobile phones and accessories to be recycled. As we are a Waste Wise school, we try to reduce the amount of waste we send to landfill and encourage families to do the same at home. Some of these items also raise funds for our school.

Please help us by collecting and come for a walk to either Station to make a deposit.

Thank you, from the Sustainability Committee
