

FROM THE PRINCIPAL

WARWICK SENIOR HIGH SCHOOL

Our Year 5/6 and Year 6 classes had the opportunity to attend Warwick SHS as part of a transition to Secondary School process. I am very excited about the quality of the programs that I see developing at Warwick. The students thoroughly enjoyed their opportunity and the overwhelming majority did our school proud.

PLAY FOCUS GROUP

I thank the P&C parent reps, DOGs reps and staff reps who participated in last week's focus group. The meeting was robust and the outcomes are excellent. We will now analyse the report provided to us by the facilitator from Nature Play Solutions and begin the formal planning of our area. Funds raised from the DOGs quiz night held earlier this year and school funds will be put towards the project.

FRASERS PROPERTY GROUP

Ms Young met with representatives from the East Greenwood developers to look at how we can best use the support being offered to us. Frasers will be involved by having their staff support our students on 21 July to plant a number of trees and shrubs around our school. Before the day their landscapers examine garden beds, remove weeds and deliver mulch and trees. On the day, Frasers' staff will support our students to plant trees and tube stock and spread mulch. This is very exciting for our school.

ASSEMBLY

Congratulations to Mrs Wilson Boyce and our choir for the tremendous presentation of last week's assembly. I also want to acknowledge our guitarists and clarinetists along with their teachers, Miss Berry and Ms Powell for the brilliant performances.

NATIONAL CONSISTENT COLLECT OF DATA ON SCHOOL STUDENTS WITH DISABILITY

Staff are currently undertaking preparation for this process in our school. Data actually collected during term 3.

PARENTS HELPING LEARNING AT HOME

Please make sure that you are working with your class teacher to arrange to use the take home Paul Swan maths games so kindly purchased by our P&C Association. I have also attached a DOE resource for supporting Writing and Spelling in the early years of schooling. There is a lot you can do to help your child by making learning fun in the home!

LAPATHON

Thanks to the parents who attended this event. The children worked very hard many striving for personal bests. (Strive to Achieve). We now remind parents to begin their collections. Moneys can be placed in the P&C box situated in the office.

INTERSCHOOL LIGHTNING CARNIVAL

Congratulations to all the children on the way they represented our school. A massive thank you also goes to Mrs Dunham for her superb organisation and all the staff who trained and coached teams on the day. Thanks also to our parents and ex-students who contributed to our school's effort. Congratulations to the AFL and Modcrosse A teams who actually won the trophy in their sports. (photo on front page)

PIRATE DAY

Pirate Day held on Friday 9 June was very successful and raised a total amount of \$512.10.

PYJAMA DAY

The Year 6 students and parents have also organised a free dress day (**Pyjama Day**) to be held next Friday 30 June. We ran this special event last year and it was enjoyed by students and staff. To participate, we would encourage the children to bring in a gold coin donation, with half the funds going towards our Graduation fundraising and the other half to a charity. An information flyer will be placed on the school app very soon.

SCHOOL UNIFORM DONATIONS

On occasions, before and after Friday assemblies, the Year 6 students run a secondhand uniform shop to raise funds for their Graduation activities.

Currently, we are running low on items such as school shirts and jumpers. If you have any of these items and they don't fit your child anymore, you can donate the clothing by dropping them off at the office or at TA10. Thank you very much for your ongoing support.

CHAPLAIN'S CORNER

The countdown to the end of the term has begun and sometimes this means that things seem to get a little busy with work deadlines, organising vocational care or planning activities for your children. I hope that in the midst of the busyness, there is excitement and a sense of relief for what's to come.

If you're in the middle of planning activities, I thought I would share a few events that are happening over July.

1. Have a family pyjama day watching movies.
2. Kids Wonderland – Winter Festival
5 July – 9 July under the Big Top at the Hertha Reserve, Stirling.
