

## FROM THE PRINCIPAL

### IMPORTANT INFORMATION

We have had a couple of recent incidents where parents have indicated that they were unaware of an event at school. Our communication is all via the Connect application and, as such, it is critical that parents ensure that their **application is working and that they have notifications 'on' or check the app/desktop application daily.**

If you are having an issue with your application, notify the office on 9352 2750. Obviously this message is on Connect, so could I get all who read it to check with their friends so that we ensure our community is supported.

### INTERSCHOOL CARNIVAL

Due to the weather forecast, booking of buses and other logistics, the schools involved decided that the main carnival needed to be moved to the backup date of tomorrow. I wish all our competitors and spectators a great day at Edgewater PS. I know that the students loved the field events held on Tuesday. The lift in competitiveness was noticed by some of our first time students.

### BUZZ AROUND WARWICK SHS

Last week our excited Year 5 students and some of their parents had a superb day at our sensational local high school experiencing a day of excitement and opportunities, engaging with staff and students at Warwick Senior High School. We have built a wonderful partnership with this school over recent years. There are some exciting music and science opportunities in the wind for our students. Of course the legendary AFL program is second to none and the netball scholarship program continues to grow. Parents can look forward to future information coffee sessions.

### YEAR 6 TRANSITION DAYS

Warwick SHS ran their transition day for their local feeder primary schools on 8 September. The students had an absolute ball, engaging in their specialist areas and other general high school life. Those in the academic extension area will get more exposure on the second transition day which will be held in Term 4.

### CONGRATULATIONS TO BLUE FACTION!

## AFTER SCHOOL USE OF PLAY EQUIPMENT MUST CEASE

I do apologise for having to make this decision, but in the interests of future relationships and student safety I am left no choice.

**Students are not to be playing on the play equipment after school.**

Again, we have had a parent complaint around an incident while students were engaged in parent supervised play. We can't monitor this play and as such we need it to cease. The front gate will close at 3.15pm. There is no reason, apart from a teacher interview for parents, to be meeting on the school grounds.

## MASSED CHOIR

Our Choir, under the direction of Mrs Wilson-Boyce is now fine tuning their performance. I imagine there has been a lot of practice at home. We are very proud of all our choir students. The final rehearsal will be on 22 September with the performance on 23 September.

## TERM 4 EVENTS

- Interschool Cross Country in Week 1. Competitors need to be training over the holidays. You are lucky having the course on your doorstep.
- School Photos. Take place in Week 2. Look out for information on Connect.

## NEXT CHALLENGE SPEECH AND OCCUPATIONAL THERAPY PROGRAM

This program concludes this Friday. I thank our therapists Annie, Ele and Ashleigh for the wonderful work that they have done with our students. This early intervention support is such a fantastic free opportunity for our community.

## HAPPY HOLIDAYS!

This is the last newsletter for Term 3. I thank the community for their awesome support over the term and wish you all a relaxing holiday with family and friends. I look forward to seeing everyone return ready for yet another busy term.

## CHAPLAIN'S CORNER

The school holidays are almost here and what better way to start than with the AFL Grand Final at Optus Stadium. I'm sure there are a lot of fans who are excited about this opportunity. Perth has many exciting activities taking place these holidays. Here are a few that you can expect to see.

### Perth Royal Show – 25 Sep– 2 Oct 2021

It's back for 2021 with a huge 25% off all entry prices. There will be no ticket sales at the gates, so to secure your tickets, will need to visit [www.perthyroyalshow.com.au](http://www.perthyroyalshow.com.au)

### Fun Adventure Activities

Swan Valley Adventure Centre offers a safe and secure world of adventure that is challenging and exciting. The school holiday adventure day camps run daily and they are organised for the 7 to 9 year olds and 10 to 14 year olds. They run from 8.00am – 4.15pm and lunch is included in the price.

They offer a number of activities and you get the opportunity to choose 3 or 4 as part of the program each day. Activities that you can choose from are:

- Canoeing and Kayaking
- Raft building
- Archery
- Commando course
- High Rope course
- Flying Fox

For prices and more information, visit [www.swanvalleyadventure.org](http://www.swanvalleyadventure.org)

### Wellington Square Playground

Perth has a new playground which has just opened. Koolangka Waabiny means children's playground in Whadjuk Nyoongar. The colours that are seen throughout the playground are inspired from the colours of WA's native flowers. You can also find colourful discs above the playground which reflect the star and sky from Dreamtime stories. This playground contains:

- Water playgrounds
- Play equipment of all abilities
- Climbing walls
- Flying fox
- Parkour activities
- In-ground trampolines
- Skate park equipped with slopes and ramps
- BBQ pits
- Basketball hoops, netball hoops and a table tennis table also.

Wellington Square Playground is located on Wellington Street in East Perth.

I hope you all have a wonderful holiday and enjoy the quality time spent with family and friends.

## ART NEWS – GREENWOOD VILLAGE ART SHOW

In August, Greenwood Primary students participated in the Greenwood Village Art Show. We had two pieces of art from every class showcasing the creative talents of our pupils. Shoppers voted for the most creative and the most colourful. Greenwood Village shops collectively donated two prize baskets for the lucky winners: Oliver from TA6 and Rienne from TA12. Congratulations!
