ATHLETICS CARNIVALS

Interschool

Today sees the Interschool Carnival at North Woodvale take place. The jumps, throws and distance races were held Tuesday. I thank all the parents who came along to support the children.

Faction

After a very wet and wild jumps and throws day, the main carnival day was beautiful. The parent support was nothing short of outstanding. We had huge numbers of community attend, wonderful participation and great comments after the event. I thank Mrs Dunham and all of the staff for the hard work that goes into having such a fun filled and engaging day for the students.

GREENWOOD HAS A POLICE VISIT

Excitement reigned last Friday, when the Police Air Wing helicopter, did a fly past then landed on our school oval. The students then got to look over the chopper. Huge thanks goes to our very own "Captain America" (alias Senior Constable Jack Kallarn) for organising the visit. Another highlight was that Senior Constable John Gobbles, who completed the ground coordination for the event, found his name on the East Greenwood Honour Board as the 1995 School Captain.

MASSED CHOIR

I can't wait to see our students perform next Wednesday evening. Our children are well prepared and having two soloists is a bonus. I thank Mrs Wilson-Boyce for all of her efforts. I know that she has put in hours of her personal time outside of school in preparing for this event.

ASSEMBLY

It was wonderful to see our Year 3 students from TA7 take us on a journey through Poetry Land. The clever rhymes and ability to remember all those lines amazed us all. I don't think anyone who was there will ever forget onomatopoeia!

RADIO SHOW

Yesterday, Miss Stojceski took our excited students to the studio to present the "School of Thought". I think they were probably some of the youngest to ever perform this role. What a fantastic job they did! The "cute factor" was huge!!! Well done to Miss S and the parents who transported the students to the station.

NAIDOC

Miss Oxenham and Mrs Gosling ran this special day last week. The children completed some activities in class and made Teaching Block handprints. The highlight was the Kangaroo Stew, Kangaroo sausages and Damper made by Miss Oxenham. Both staff are to be congratulated on their organisation and our students were amazing in their willingness to try some new tastes.

PLAY CHANGES

Very soon you will see some new playground “big games” begin to appear around the school. They are not for children’s use outside of school hours.

MUD KITCHENS

The children love these and the play is so creative, however we have lost a large number of the small utensils. Please check at home to see if some have accidentally arrived in your own sandpits or elsewhere in your play equipment. We are aware that some may be in the bush, but not that many!

FINAL NEWSLETTER

As this is the last newsletter for the term, I would like to thank all of the wonderful Greenwood families and wish everyone a wonderful holiday break, hopefully with a bit of sunny weather. I look forward to seeing everyone ready to take on an exciting Term 4.

SCHOOL PHOTOGRAPHS

Our photos are being taken week 2 of Term 4; Tuesday 16 and Wednesday 17 October (so all Kindy classes can be included). This year’s orders will all be online. You will all receive a slip with a “shoot key”. That key is required to enter an online order.

DANCE

I remind all students and families that these sessions form a **very important part of the curriculum** and that we are fortunate to have the quality of the Gilkison family working in partnership with our school. Your children are getting world class instruction. I thank the P&C for recognising the value that is added to the education of every child and subsidising each student \$10, keeping the cost much lower than we expected at \$8.00. All families were informed of this activity and its potential cost as part of the School Board approved Contributions and Charges notification which was sent home in November last year.
