

FROM THE PRINCIPAL

Greetings and salutations everyone. Last Friday we celebrated Harmony Day by wearing orange to represent inclusivity, respect and belonging. We started off with an assembly hosted by TA14 where our Year 2 students helped us to understand the importance of the day. Following this, we held a picnic event where we shared a beautiful morning together with families and students. When you see the amazing turn out after a morning like this, it really helps to show how wonderful the Greenwood community is and how fortunate we are as a school to share these events with you.

You may have seen some of the announcements earlier in the term regarding the replacement of key positions around the school. We are still in the process of finalising a couple, and there will be more news on that next week. For now, we are pleased to keep on Miss Tanesha Dimanopoulos. Tanesha is presently replacing Jennifer Stojceski, who is currently an Associate Principal at Victoria Park Primary School. Jenn's time has been extended, and we are pleased to be able to keep Tanesha on staff. We will also be welcoming back Mrs Indhira Made to her Indonesian role. Mrs Webster will take another term of maternity leave and Lorena Bengough will be continuing her Friday teaching role in TA03. There will be a few more familiar faces returning to us next term, but more on that next week in some final announcements before the end of term.

I hope everyone has a safe and happy holiday. We will see you after the break.

Kind regards

Dean Gill

CHAPLAIN'S CORNER

Hello Greenwood Community,
I cannot believe that the first term is almost over! Time especially has flown by in the library at recess times, with many students coming in to read, colour and draw or use their imagination to create some amazing LEGO pieces.

The holidays are almost upon us, and I am sure we are all looking forward to some well-deserved sleep ins and relaxation. If you do however get stuck for some ideas, here are a couple of suggestions:

TO WATCH: *The Magic Faraway Tree*

Personally, I cannot wait to watch this live action take on Enid Blyton's beloved classic, where the children and residents of the magical tree are transported to many a strange and wonderful world. Also, a perfect opportunity to introduce your child/ren to the books.

TO WATCH: *GOAT*

Small goat Will, gets the once in a lifetime opportunity to turn pro and play in the fiercely competitive roarball tournament where his teammates are less than impressed at having a small goat on the team. Can Will prove his critics wrong?

TO READ: *Valerie: Australia's Bravest Sausage Dog* by Lucinda Gifford

A super cute imagining of the adventures that the real-life Valerie, the sausage dog, may have gotten up to after she escaped from the campground she was staying at with her family and travelled for 500 days before being reunited with her family.

TO READ: *The Hybrid Prince (Wings of Fire 16)*

I know many of our older students are invested in the Wings of Fire series! This instalment focuses on Umber as he and his sister Sora go on the run and he is forced to confront what he cares about the most and if he can be a hero after all.

TO DO: Make Memories and have adventures.

What's a break without some random adventures and memory making? Whether it's doing something together at home, going to a park or beyond – nothing beats time spent together.

Have an amazing break and I cannot wait to hear what everyone has gotten up to!

SUSTAINABILITY NEWS

CLEAN UP AUSTRALIA DAY

On Wednesday 5 March we carried out a whole school clean up Day.

Each class cleaned up their designated area and overall 5.5 kg of waste (mostly small plastic pieces and food wrappings) was collected.

Thank you to all students and staff for helping to make our school look its best.

Thank you from the Sustainability Team

KINDERGARTEN 2026
